Dear DC Comics Retailer,

The possible future.

Given the chance to peer into it, who would not...?

This is that chance. This is a glance down a road as yet untaken.
A partial preview of a tale set one year from today. This is
DOOM FORCE.

From the twisted muse of GRANT MORRISON (whose credits include a successful run on DOOM PATROL, ANIMAL MAN, and ASKHAM ASYLUM) comes a bewildering DC Comics special that lampoons current comic-book trends by superimposing them on characters and situations he developed in DOOM PATROL. Featuring a bizarre menagerie of new characters who look, well, familiar, DOOM FORCE begs the question, IS THIS REALLY THE FUTURE??? CAN IT BE STOPPED?!!!? DOES ANYBODY BUT GRANT REALLY KNOW?!!!!!!?

Grant Morrison is ably assisted on DOOM FORCE by the artistic talents of STEVE PUGH, IAN MONTGOMERY & BRAD VASCATA, RICHARD CASE & WALTER SIMONSON, PARIS CULLINS & RAY KREYSSING, DUKE MIGHTEN & MARK MCKENNA, and KEN STRACY.

DOOM FORCE SPECIAL #1 is a 64-page one-shot in DC's New Format. It ships 6/9 from Ronalds Printing in Canada and may cost editor TOM FEYER his job.

Also ~~good~~ fun.
